Vol.135

We have decided to let this Bulletin go now that the health emergency is pretty much past us. We hope it has made you smile and provided a pleasant distraction from daily life.

If you would like them, back copies or .copies of the art lessons are available by email: office@highpointfriends.org or Mail: High Point Friends Meeting 800 Quaker Lane High Point NC 27262

There are many ways and places to find inspiration and instruction to advance your art skills, ***look for them***, they are easy and free. ***Everything*** was designed by *someone*. Think about that. My personal ah ha moment was when I was asked to draw running shoes with 4 different designs. I had never thought about "Designing" in relation to shoes. Then I noticed Other things.

The Funnies/Did You Know

The White house

has had several reports of ghostly appearances and eerie sounds – and that's not even including election years! The most common ghost sighting is of Abraham Lincoln who has been spotted by First Lady Eleanor Roosevelt, Queen Wilhelmina of the Netherlands, and Sir Winston Churchill. Other paranormal guests include Andrew Jackson, David Burns and Abigail Adams.

One piece of Halloween folklore says that if a young unmarried person walks down the stairs backwards at midnight while holding a mirror, the face that appears in the mirror will be their next lover.

Candy Corn

Was Created in the 1880s by George Renninger, it was sold to the masses by Goelitz Confectionery Company (now Jelly Belly Co.) at the turn of the century. It was Called "Chicken Feed" An sold in a box depicting a Rooster.

Jack o'lantern"

comes from the Irish legend of Stingy Jack, who tricked the devil so many times, and so well that he could not get into heaven *or* hell.

Balance

is the distribution of the visual weight of objects, colors, texture, and space. If the design was a scale, these elements should be balanced to make a design feel stable.
