Psalms 18:20-24

God made my life complete
when I placed all the pieces before him.

When I got my act together,
he gave me a fresh start.

Now I'm alert to God's ways;
I don't take God for granted.

Every day I review the ways he works;
I try not to miss a trick.

I feel put back together,
and I'm watching my step.

God rewrote the text of my life when
I opened the book of my heart to his eyes.

Postlude

Thoughts For Reflection:

"The beginning of another year means the end of a year that has fulfilled itself and passed on. It means that some things are finished, rounded out, completed forever. It means that for some of us certain changes have taken place so profound in nature that we can never be what we were before. The New Year means a fresh start, a second wind, another chance, a kind of reprieve, a divine of grace bestowed upon the children of humanity."
