Today's Message By Rusty Parsons

"The Lord said to Noah, "Go into the ark with your whole household, because among this generation I've seen that you are a moral man."

(Genesis 7:1)

"Noah did everything the Lord commanded him. Noah was 600 years old when the floodwaters arrived on earth. Noah, his sons, his wife, and his sons' wives with him entered the ark to escape the floodwaters. From the clean and unclean animals, from the birds and everything crawling on the ground, two of each, male and female, went into the ark with Noah, just as God commanded Noah. After seven days, the floodwaters arrived on earth."

(Genesis 7:5-10)

"Male and female of every creature went in, just as God had commanded him. Then the Lord closed the door behind them."

(Genesis 7:16)

## Open Doors

Postlude

### Thoughts For Reflection:

"The humble awareness that we are totally dependent on God can give a fresh start to a journey that has become crazy and unmanageable. However, until we have some crisis that exposes our fragile vulnerability, we live in the illusion that we are self-sufficient and in control. Clinging to such an illusion prevents growth and change."
