

Our blindness won't let us see  
the light that shines from our hearts  
making us already whole and complete.  
We must feel it so that it can lighten up our world.

## John 1:1-9

1 In the beginning was the Word  
and the Word was with God  
and the Word was God.

2 The Word was with God in the beginning.

3 Everything came into being through the Word,  
and without the Word  
nothing came into being.

What came into being  
4 through the Word was life  
and the life was the light for all people.

5 The light shines in the darkness,  
and the darkness doesn't extinguish the light.

6 A man named John was sent from God.

7 He came as a witness to testify concerning the light,  
so that through him everyone would believe in the light.

8 He himself wasn't the light, but his mission was  
to testify concerning the light.

9 The true light that shines on all people  
was coming into the world.

Message:  
"Lighten Up!"

Open Worship: In this time of open worship, Friends take time to center down, wait on God to provide ministry to your soul and see if God wishes to use you as an instrument of grace.

Hymn: Arise, Your Light Is Come (Insert)

Benediction:

Postlude

Thoughts for Reflection:

"The light is God's faithful, abiding presence in every human heart, or conscience. God waits for us there, calling with a voice we don't notice...the light is there in everyone, not just a few...It is knowledge given in obedience. That is, we gain more light as we follow its motions faithfully. And as God has been waiting upon us all this time, we have to learn how to wait for the light's teaching, to 'wait upon the Lord,' as early Friends would say...There we may receive fresh insights and guidance in the particulars of our own lives."
